a) Proposed by DE – P'boro Harriers for discussion, a seconder and vote if AGM quorate

'Amend association rules so that players who leave one club owing money cannot play for another club until they pay what they owe, similar to the rules in place for NVL. This is becoming a growing issue for us with our ongoing challenges '

b) From KMCA – Cambridge VC for discussion ' current cancellation notice for matches not enough to avoid being billed and rebooking hall time in Cambridge is limited / sometimes impossible'
